**HAND DELIVERY**

I, Michael J. Cleare, hereby declare that:

Sloan-Kettering Institute for Cancer Research together with The Trustees of Columbia University in the City of New York are joint Assignees of the entire interest in U.S. Patent No. 5,369,108, which is the Patent forming the basis for the above-referenced Reissue Application.

I am authorized to act on behalf of The Trustees of Columbia University in the City of New York. The title of my position is set forth below.

Every error in the patent which was corrected in the present Reissue Application, and which is not covered by the prior Declaration submitted in the Application, arose without any deceptive intention on the part of the applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
